Summer Term No 14

Thursday 15th June 2017

Dear Parents and Carers,

E-Safety Week

Next week is our school E-Safety week. In every class children will have a special focus on learning about different ways of staying safe when they use computers and the internet.

There will also be a special **Parents' Club** on Thursday 22nd June, when Mr Johnston and Rashina Begum will share our work on e-safety with parents, and give tips and hints for how you can make sure your children are safe when online out of school. All parents are welcome – we hope for a good turnout, as this is a very important subject. Parents are also welcome to come into our E-Safety sharing assembly on Friday afternoon (23rd June) at 3 pm.

Class Photograph Orders – DEADLINE TOMORROW!

A polite reminder that the deadline for ordering the class photographs for Nursery, Reception and Year 6 is tomorrow, Friday 16th June. After this date we won't be able to take any more orders.

Year 6 Trip to France

Many thanks to Mrs Karen Sleaf, Mr Johnston, Mrs Abbas and Ms Letts for the fantastic Year 6 trip to France last weekend. I am very grateful to these members of the school staff who all gave up their (long) weekend to volunteer for this trip, and are just about catching up on their sleep now. We were delighted to take 23 children away – this is such a valuable and enjoyable experience for the children in so many ways, and their behaviour was exemplary. I felt very proud of them – especially by the way they impressed the local shopkeepers with the spoken French we have been learning. *Très bien fait!*

New Building

As you will have noticed, the new building project is now well underway and we have lots of deep holes on the playground! Thank you to both adults and children for their consideration and understanding of the reduced entrance and playground space.
