Spring Term No 9

Wednesday 28th February 2018

Dear Parents and Carers,

Ofsted Report

Please find attached a copy of our most recent Ofsted Inspection Report. It will be published online by early next week.

I am really pleased with much of what is in this report – of course, most of all that the school continues to be graded as 'good', but also about: the very positive comments about pupil behaviour and attitudes towards learning; the valuable contribution of governors; the fact that children work hard; and the way that we are a friendly, caring school community in which families feel supported.

The areas for development are both sensible, and things that we want to work on to help make our school even better. Thank you to everyone, once again, for all their hard work in achieving such a good report.

Snow

We have had a lovely day in the snow today – and the children have enjoyed playing out of doors following our rules and guidance for safe and happy 'snow fun'. We will continue to play out of doors if we have more snow later in the week, so please make sure that your children come to school in:

- Sensible footwear. If you can, send your child in wellington boots (or similar) with a change of footwear for indoors.
- A warm coat that will fasten up.
- Hat, scarf and gloves.

World Book Day

We still hope to have our world book day on Friday, with the usual dressing up. However, please can you make sure that:

- Your child wears sensible walking shoes or boots – most classes will walk up to Jubilee Place to choose a special World Book Day Book at Waterstones.
- Your child wears a warm coat, hat and gloves on top of their costume, ready for the walk up to Waterstones.

With best wishes,

Mike Hirst,

Headteacher
