Summer Term No 15

Wednesday 21st June 2017

Dear Parents and Carers,

Grenfell Tower Disaster

Last week, we were shocked and saddened by the news footage of the Grenfell Tower fire in West London. Many schools in Tower Hamlets have considered how they might mark this awful event, show their respect for the victims and do something practical to support the survivors.

At Seven Mills, Year 6 are making small green ribbon lapel badges, which we will then sell on the playground at the start and end of the day tomorrow (Thursday) and Friday. We ask for a small donation for each ribbon. We will send all the money we collect to the Red Cross fund that has been set up for families who have been touched by the Grenfell Tower disaster.

E-Safety Week

Our E-Safety week has got off to a good start, and I've already seen some really interesting and thoughtful work produced in different classes. Please remember:

- tomorrow, Thursday 22nd June, Parents Club will have a focus on Keeping Your Children Safe Online. Do come to this meeting if you can.
- Good Work Assembly on Friday 3 pm is open to parents to come and see the work we have been doing.

Happy Eid!

As the Islamic holy month of Ramadan draws to a close, many families are preparing to celebrate Eid ul-Fitr at the weekend. Please remember: **school will be closed for the Eid holiday on Monday.**

We look forward to seeing everyone back in school next Tuesday 27th June. Please come and join us at 9.30 am for our special **Eid Celebration Assembly**. On this day, children may wear smart home clothes or new Eid clothes if they wish.

We will also have class Eid parties on Tuesday. Teachers will provide entertainment, games and special party food. Please do **NOT** send any additional food into school on that day – class teachers know of any special dietary requirements in their class, so they will provide party food in line with these requirements.

Looking forward to seeing you in school over the coming days,
With best wishes,

Mike Hirst, Headteacher
