

Seven Mills Primary School London Borough of Tower Hamlets

Class Teacher Person Specification

We are looking for the following skills and experience.

- Qualified Teacher Status.
- Ability to motivate and inspire children with lessons that engage them in learning
- Evidence of continuous professional development.
- Knowledge of how to create a secure, happy and stimulating environment, including the management of behaviour.
- Knowledge of how to devise an engaging, cross-curricular and experiential curriculum
- Understanding of the sequence of children's learning at the primary level, so that children are supported in appropriate 'next small steps' learning.
- Ability to plan lessons and schemes of work both independently and in close collaboration with colleagues.
- Knowledge of a range of assessment procedures, including formative and summative
- Experience of working effectively within a team, including leading support staff.
- Willingness to participate enthusiastically in whole-school improvement initiatives.
- Ability to translate care and concern for children into practical actions that make the pupils feel safe and enable them to be successful.
- Willingness to share the diverse and heavy workload of a small, inner-London school.
- High standards of professionalism, integrity and use of initiative.
- A sense of fun.
- Enthusiasm for our vision for an inclusive school in which everyone is valued and individuality is celebrated.
- Commitment to safeguarding and the promotion of children's welfare

When drawing up a shortlist we shall give preference to applications that:

- Tell us what you have **done** to equip you with suitable skills and experience (we believe that actions speak louder than words);
- Articulate the candidate's strengths **concisely**
